Re: Installation of Protected Two-Way Bike Facility on 19th Street NE

Dear Chairperson Gove,

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent (NOI) to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction:

DDOT proposes to modify the roadway pattern for 19th St NE to include 2-way protected bike lanes (AKA a cycletrack), parking will be switched to the west side to the east side of the street, with setbacks for visual sightlines at alleys, driveways and crosswalks consistent with DDOT’s design and engineering manual standards. Following installation of this project, there will be a total of 690 linear feet of on-street parking (approximately 30 typical parking spaces). DDOT is also investigating an all-way stop at 19th/Constitution intersection as part of overall intersection safety.

DDOT’s reasoning for this change is to construct the protected bicycle network specified in MoveDC mobility plan, improve overall neighborhood safety in accordance with our mandate to eliminate fatal crashes by 2024. We are issuing this NOI now at the request of commissioners who expressed an interest in seeing this project delivered prior to the 2022/23 school year start due to the location adjacent to two schools.

All comments on this subject matter must be filed in writing by August 8th, 2022 (thirty business days after the date of this notice), with the District Department of Transportation, Transportation Operations Administration, 250 M Street, S.E. Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT’s website at <https://ddotwiki.atlassian.net/wiki/spaces/NI/overview> If you are having any trouble accessing the NOI site or are unable to do so, please contact the DDOT Customer Service Clearinghouse at 202-671-2800.

Sincerely,

Will Handsfield
