Re: Removal of parking spaces at the Intersection of 4th Street, Valley Avenue, and Xenia Street, SE. NOI 22-240-TESD

Dear Chairperson:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D. C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- ***3900 Block of 4th Street SE: Elimination of 3 non-designated parking spaces in the northbound direction.***
- ***400 Block of Valley Avenue SE: Elimination of non-designated 3 parking spaces in the westbound direction; 3 parking spaces in the eastbound direction.***
- ***Unspecified Block of 4th Street SE (north of Valley Ave SE): Elimination of 8 non-designated parking spaces in the southbound direction.***

The spaces mentioned above currently have no parking regulatory signs. Dedicating these spaces as travel lanes by creating exclusive turning lanes and signaling the dedicated lanes with arrows will greatly improve pedestrian safety around the intersection by separating pedestrian signal phases from vehicular phases. As part of this work, the intersection’s current timing plans will be optimized as part of a network wide optimization effort. Please see concept drawing below.

All comments on this subject matter must be filed in writing by Friday, October 31, 2022 (thirty business days after the date of this notice), with the District Department of Transportation (DDOT), Traffic Engineering and Signals Division at 250 M Street, SE, Washington, D.C. 20003.

If you would like to check the status of the Notice of Intent (NOI) or submit your comment via email, please visit DDOT's website at: <http://ddot.dc.gov/service/ddot-notice-intent>. If you have trouble accessing the NOI site or are unable to do so, please contact the DDOT customer Service Clearinghouse at 202-671-2800.
