Re: Installation of No Parking Zone along 2400 Block of P Street NW

Chairperson Murphy,

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent (NOI) to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction:

EXECUTIVE SUMMARY

DDOT intends to create a No Parking Zone on the northside of the 2400 block of P Street NW by removing the existing Two-Hour Parking zone and installing a No Parking zone.

DETAILED PROPOSED ACTIONS

The alley providing access to the residential building and adjacent townhomes on the 2400 block of P Street NW is very narrow. Due to the narrow alley, residents have witnessed Republic trucks blocking the alleyway in order to conduct trash pick-up services. Residents are seeking a solution where large trash service trucks do not block the alley but can efficiently conduct the trash pick-up for the neighborhood. Residents are seeking to find a solution and has worked with the neighbors/ANC to do so. DDOT’s Curbside Management Division has made the determination to install this programming based on consultation with Gorove Slade, an ANC representative (Elizabeth Miller 2E07), and the Holladay Corporation.

DDOT will remove a 30-foot Two Hour Parking Zone along the northside of 2400 block of P Street NW, outside of the entrance to the loading dock for 2500 Q Street and replace the existing zone with a No Parking zone. This action will prohibit on-street parking and will allow trash removal operations to continue efficiently, reducing the amount of time the alleyway is blocked. This proposed programming would allow trash removal services to utilize the No Parking zone at the curbside rather than using existing roadway conditions (e.g. RPP spaces). No Parking zones allow for stopping, standing, and passenger/goods loading.
