Re: Conversion of two public parking spaces into ADA parking at the 900 block of G Street NE

Dear Chairperson Chatterjee:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

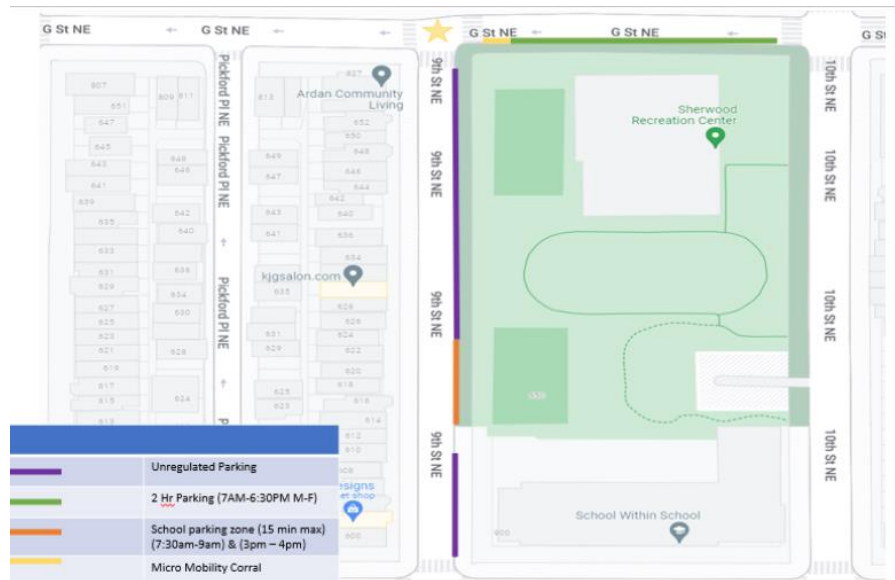

DDOT will be converting two on-street public parking spaces at the intersection of 9th St NE & G St NE into ADA compliant parking spaces. The parking space on 9th Street NE is currently unrestricted parking; the parking space on G St NE is 2-hour parking. At this location, DDOT will install two public ADA parking spaces to accommodate persons with disabilities in the corridor. One space will be on the south side of the 900 block of G St, nearest 9th St. The second space will be located on the east side of the 600 block of 9th St, nearest G St NE. This is part of a pilot program to expand the District’s ADA parking program for residents that are not eligible for the Reserved Disability Parking Program. Please see diagram below highlighting current conditions and the proposed outcomes.
