NOI #22-147-TESD

Re: Removal of on-street parking and Installation of New High Visibility Crosswalk at I Street NE and 20th Street NE

Dear Chairperson Moore:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCMR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- **Install new crosswalk with high visibility crosswalk markings across I St NE at 20th St NE**
- **Restrict parking at the intersection of I St NE at 20th St NE per DCMR and DDOT guidelines**

Based on community concerns regarding poor visibility and lack of pedestrian crosswalk across St NE at the intersection of 20th St NE and I St NE, DDOT has completed an investigation and proposes to install a high visibility crosswalk and restrict parking at the intersection to meet the minimum parking clearance as outlined by DCMR DDOT Design and Engineering Manual. These parking restrictions are intended to improve visibility and safety for all road users.

Figure 1 illustrates proposed signs and pavement markings to be installed or refurbished as part of the intersection improvements.

All comments on this subject matter must be filed in writing by Wednesday, December 14, 2022 (thirty business days after the date of this notice), with the District Department of Transportation (DDOT), Project Delivery Administration at 250 M Street, SE, Washington, D.C. 20003. DDOT will review and evaluate comments and make any necessary adjustments to the intersection following the implementation.

If you would like to check the status of the Notice of Intent (NOI) or submit your comments via email, please visit DDOT's website at: <http://ddot.dc.gov/service/ddot-notice-intent>.
