### **NOI 22-283-TESD**

**Re: Lane Configuration and Parking Change on Irving Street between Georgia Avenue and Park Place NW**

Dear Chairperson Wray:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

- Convert parking on the south curb lane of Irving Street NW from Peak Restricted to Zone 1 Residential Parking Permit (RPP)
- Install parking boxes on the north and south curb parking lanes
- Install a lane reduction merge on Irving Street NW just east of Georgia Avenue NW
- Install a dedicated left-turn lane on the eastbound Irving Street NW approach to Warder Street NW

Presently, the north curb of Irving Street NW is Zone 1 Parking Permit Only between 7 a.m. and 8:30 p.m. Monday through Friday. One parking space on the north curb will be converted from 1-hour pay-to-park space to Zone 1 Parking Permit Only (see Figure 1). On the south curb, the parking regulation will be changed from No Standing or Parking between 7 a.m. and 6:30 p.m. to Zone 1 RPP parking between 7 a.m. and 8:30 p.m. Monday through Friday. This change converts approximately 52 parking spaces from peak restricted to full-time Zone 1 Residential Parking Permit parking.

Parking boxes will be installed on both parking lanes to clearly identify legal parking spaces. After installation of these proposed changes, Irving Street NW will have one travel lane (middle lane) and two full-time parking lanes. Removal of five (5) parking spaces will allow installation of a dedicated left-turn lane approaching the Warder Street NW intersection and a merge condition east of the Georgia Avenue NW intersection. Figure 1 provides a summary of the proposed changes on Irving Street NW, including the proposed parking space removal.

All comments on this subject matter must be filed in writing by Friday, January 20, 2023 (thirty business days after the date of this notice), with the District Department of Transportation (DDOT), Transportation Operations Administration at 250 M Street, SE, Washington, D.C. 20003. Comments may also be sent via email to Derek Voight at [derek.voight@dc.gov](mailto:derek.voight@dc.gov).

DDOT will review and evaluate comments and anticipates initiating implementation of the abovementioned modifications starting at the end of the thirty business days, pending weather conditions.
