Dear Chairpersons:

LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- **Installation of a New HAWK Signal at the Intersection of Georgia Avenue and Juniper Street, N.W.**

An independent determination has been made by the DDOT/Traffic Engineering and Safety Division to install and operate a HAWK signal at the intersection of Georgia Avenue and Juniper Street, N.W. HAWK signal control can provide for the safe and efficient movement of vehicular and pedestrian traffic at this intersection, and will provide positive direction to motorists, pedestrians and bicyclists operating through and in the immediate vicinity of this intersection. The proposed new HAWK signal at the intersection of Georgia Avenue and Juniper St, NW will be timed to operate in harmony with adjacent traffic signals on the Georgia Avenue corridor to minimize disruptions to through traffic.
